**Pastor Joseph's Take Away From Last Week's  
Message (Sunday, Dec 1, 2024)**

Matthew 1: 18-25

Hope – confident expectation of something good.

God placed the Hope of Israel in the care of Joseph without his permission.

I want to be a person that protects people when it seems no one is protecting me.

Don't let what you want to see get in the way of who God's called you to be.

**Notice: There will not be Sunday evening services at Christ Church until after the 1<sup>st</sup> of the year. Please enjoy this time with your family but DO spend personal time in God's word and in prayer!**

Nancy & Jerry Brown's  
Grandson - James

James has had a very busy week packed full of appointments. His ANC is back down to 40, his hemoglobin (blood levels) were also low due to all the chemo. They believe he will need a blood transfusion next week. He has one more week of daily chemo's then we'll be done with this phase and have sometime for his body to recover! We're almost there, thank you Lord! 🙏  
He's been such a strong little man during this journey, I couldn't be more proud of the level of strength & joy I see in him everyday. 🙏

Prayer requests 🙏

- Protection from infection & illness
- Good bloodwork reports
- No allergic reactions during transfusion

Thank you for your prayers. 🙏
