Pick up a bottle at church!
"Change For A Change" will
also go toward this!

Midwest Pregnancy Care Center

We are so excited that you have partnered with us for our Baby Bottle Campaign this year! Our Baby Bottle Campaign is our #1 fundraiser for the year. The money collected from these baby bottles goes straight into helping the neediest families in and around our community. And we couldn't do it without your support.

The way the Baby Bottle Campaign works is you take home a baby bottle today, Mother's Day. You place it in your home and fill it with spare change. We also ask that whenever you see it, take a moment and pray for the work that we do at the Pregnancy Centers, for the lives that we impact. Then bring it back to your Church on Father's Day.

Thank you again for your support!

Love is our Legacy
Love is our Destiny
Love is our Strategy

One of the “Love Pillars” of Christ Church is: “Love is our Legacy”. When our sign to the north of our building needed to be re-done because the times and events were no longer correct, the entire sign was due for a much-needed renovation. It might have been expedient to just ditch the whole thing and start over, but what many of you might not have known, the sign was painted by “Uncle Pete” Cheshier, Pastor Dave’s brother.

Pete was Pastor Dave’s older brother. In his younger years Pete played football for Arkansas A&M with their other brother Stanley. He was a World War II veteran. He eventually moved to Neodesha and attended Christ Church and was a sign painter and thus we got our sign. Pete passed away in 2012 at the age of 91.

So, in support of ‘Love is our Legacy’, the top 2 portions of this sign have been lovingly restored by Gene & Katie Ewert (please forgive the imperfections!) in honor of Uncle Pete.

By the way – fun fact: Uncle Pete was the step-grandpa of our own, Mike Pierce.

We are still working with Melissa Fogleman on how to get the events & times back, but “Christ Church” is now proudly back in its rightful place and like Paul Harvey used to say, “Now you know the rest of the story.”

Also note that the frame for the sign was designed and created by Robert Cefarelli Sr. several years ago. I think it is a perfect structural design for it don’t you?

– Gene Ewert
