**Pastor Joseph's Take Away From Last Week's
Message (Sunday, Dec 29, 2024)**

John 16: 4-15

Everything Jesus was doing was under the old covenant but was point to the new covenant.
Walking in the old preparing for the new.

Some saw Jesus more as a threat than a Savior.

Crowds gather out of need or curiosity.
Disciples wanted to learn, looked the same as the crowd but responded differently.
Proximity & access are not the same.
When you put your faith in Jesus you are no longer just a part of the crowd under the new covenant.

Learning how to live in the Holy Spirit as a real thing in your life.
The Holy Spirit wants to help us to make decisions that glorify God.

Notice: There will not be Sunday evening services at Christ Church until after the 1st of the year. Please enjoy this time with your family but DO spend personal time in God's word and in prayer!
