- Shift from hearing to feeling, it's tangible. Open to experience. Raising the bar, more responsibility. It's going to require more, and to trust Him more. Full preparation mode.
- Seeds have an assignment. The environment to make it conducive for it to become what it's intended to become. God has chosen this as that environment. The picture on the seed packet shows you what it is supposed to become at full maturity. It will only become what it already is. The right environment to be fruitful. Steward the environment of Christ Church correctly. Can you see it?
- Babies become sons and daughters, and sons and daughters will become fathers and mothers.

1 Corinthians 13:11 "I put away childish things". Life changes its not realistic to base my life with Christ on the change of seasons in our lives. Unlike plants people can uproot themselves but we have to be willing to stay planted and make the transition. Don't get uprooted in transition. Except your new position and role and release old roles and responsibilities. Don't stay in the role you're confident in. Some things you grow into because you have to.

We struggle in the areas we are most undeveloped and insecure. We have to be willing to step out of our comfort zone to do something new.

There are changes that we are making to keep in step with what God is doing.

1. Change is normal. It's going to happen, whether you embrace it or not.

2. God intends for you to not miss out.

It is the goodness of God to put you in a position to trust Him and not try to control it.

December 1, 2024 Prophecy given by Bill Faught

"I received this word at 5 am this morning.

I heard a chant, saying, "There is a sound in the heavens. There is a sound on the earth. There is a sound of the Kingdom. There is a sound in Christ's Church. Can you hear it?"

Then I heard: "The voice of the bridegroom calls for His bride. The voice of the bride answers, 'We will stand by your side.' Can you hear it?"

And then I heard: "A revival mantle is lowering onto the shoulders of Christ Church. There have been many prophecies before now, but today marks the fruition of these declarations and intercessions. Others saw this in the distance – you will see it firsthand. Prophecy will unfold before your eyes. There has been a shift – a cog has turned. Can you feel it?"

I'm raising the bar – I'm asking My Church to raise its expectations, too. If I said it, then I will do it. Can you believe it?

I have planted each as a seed in this house. This is the season, says the Lord, to go into full preparation mode for what is spoken. I'm placing a demand on My Church. And I'm asking My Church to place a demand on Me, too. In this season of preparation, babies will become sons and daughters – sons and daughters will become fathers and mothers. Can you see it?

As you prepare for this revival, you will experience moving from watching one or two at a time get saved or healed...to dozens coming and the healings will be too many to count. Prepare for it", declares the Lord!"

Matthew 9:15

And Jesus said unto them, Can the children of the bridechamber mourn, as long as the bridegroom is with them? but the days will come, when the bridegroom shall be taken from them, and then shall they fast.
